## School Learning Packs-SUPPORT UNIT (2018)

Dear Parents / Caregivers,

The school believes that if students have all the required learning tools at the start of the year it will encourage *sound effective learning and teaching*. To minimize cost and reduce the stress of buying stationary for students, the school would like to promote its "Learning Pack" program.

The package presented will mean that parents can either pay through EFTPOS at the front office or use the "normal" payment process. *Another significant change*, reduction in the number of times notes will go home asking for money, 2018 will see a once only cost: *Parents only pay for additional programs as organized by the teachers*

### School Learning Packs now include:

(1) **ALL stationery** (writing books, pens, pencils, colour pencils, textas, glue sticks, library bags, technology provisions, photocopy supplies, art & craft supplies, scissors, etc) books, pens, etc are replaced at no cost to the students/families. All reference books will be kept at school.

(2) **Stage or grade excursion** (up to the value of \$20)

(3) **Picnic Day** in Term 4-

(4) **Specialist support for Physical Activities** ("GOT GAME" + Disability Program)

Please note this package will mean **NO MORE voluntary contributions** as everything is inclusive, *however, it does require ALL families to pay the school learning packs in full or a minimum of 2x payments*. This will ensure the students receive their learning resources without delay.

The package also means that the school can ensure writing books/reference books are available without delay.

Payment options:

- Pay all funds
- Pay off in mutually agreed instalments
- Through EFTPOS facility at the office

Thank You

(Please Do Not Tear off)

S.Williams

Principal

### **Back To School Learning Package**

I would like to purchase the "One Stop Shop" program package for my child \_\_\_\_\_ Class: \_\_\_\_\_. I also understand the payment options presented. I am also aware that this purchase will mean *NO need for voluntary contributions*. Parents are asked to please make payment as soon as possible. *Resources will be supplied once payment has been made.*

**SUPPORT UNIT**      **\$290.00**
