Picnic Day Term 4

Mathletics & Literacy Planet

NOTE: Please ignore this note if you have already paid

The school believes if students have all the required learning tools at the start of the year it will encourage *sound effective learning and teaching*.

To minimise cost and reduce the stress for students and families, the school would like to promote its "**Learning Pack**" program. No additional school fees are required. No more voluntary contributions are encouraged, except for targeted school events. Replacement items are provided at no additional cost to parents.

Parents can either pay through EFTPOS at the front office, payment plans, credit card or use the cash/cheque payment system process. The package *cannot* be purchased in "part form".

Thank You,

Mr Selwyn Williams - Principal

Back To School Package-2018

I would like to purchase the Learning pack for my child _____ Class: _____.

I understand that this package includes the Got Game Sport Coaching program for the entire 2018 school year. I also understand the payment options presented (EFTPOS, Cheque, cash). I am also aware that this purchase will mean, no need for voluntary contributions. No part packages can be purchased eg. Single items from the list above.

Total Cost: \$305.00
