The school believes if students have all the required learning tools at the start of the year it will encourage *sound effective learning and teaching*.

To minimise cost and reduce the stress for students and families, the school would like to promote its "**Learning Pack**" program. No additional school fees are required. No more voluntary contributions are encouraged, except for targeted school events. Replacement items are presented at no cost to parents.

Parents can either pay through EFTPOS at the front office, payment plans, credit card or use the cash/cheque payment system process. The package *cannot* be purchased in" part from"

Thank You,

Mr Selwyn Williams - Principal
